OUR AIM

It is the aim of our management to impress upon each depositor the assurance that his account receives careful attention, whether it is large or small. Every courtesy consistent with prudent banking is uniformly extended to all depositors, while our unexcelled equipment affords every facility for prompt and accurate service.

NOTICE

For forty-four years we have been conducting business at the same old location, corner of Main and John Streets, Bridgeport, Conn., and our Private Bank has been established there continuously. We have received and paid out on demand without notice millions of dollars, and money deposited with us and we continue to receive money subject to depositor's check at sight, on which we allow three per cent. per annum, credited to each account monthly. We solicit the accounts of individuals, business men, firms and corporations, and all who want a bank account where they can deposit money, checks or drafts, and leave it for one day, one week, one month or one year, and draw interest on it for any time it is left with us. We give to the business our careful personal attention as the oldest firm of private bankers in this state.

OYSTERS

OUR SPECIALTY

We are making Sealship Oysters a specialty at our store. They are no more like common tub oysters than sugar is like salt. They are infinitely better—always give perfect satisfaction. They are shipped to us direct from the ocean beds, under seal every mile of the way. When we break the seal and deliver Sealship Oysters to you they are firm, clean, solid, and fresh as when dredged from the deep. They retain all of the real sea flavor. No water—no ice even touches them. They are tempting, delicious morsels of sea food. Try them and know that what we say is true.

At the regular quarterly meeting of the board of directors of the Southern New England Telephone Company, held in the New Haven telephone building yesterday afternoon, the regular quarterly dividend of 1 1/2 per cent, payable October 15th, was declared. Three new members were elected to the board, namely Judge W. F. Henney, of Hartford; A. H. Bullard, of this city and Charles E. Lyman, of Middletown.

As estimated earlier in the year in the company's annual report, an increase of \$1,099,100 in stock to provide for extensions planned and in process, was voted, the detail of the vote being as follows:

1. That the capital stock of the corporation be increased from 76,937 shares of the par value of \$100 each to 87,928 shares of the par value shares to be offered to the stockholders of record, on the books of the company, of the 15th day of October, 1910, at par, in the proportion of one share of new stock for each multiple of seven shares held by them at that date, under the following conditions:
2. Subscriptions for this stock must be for full shares and be made on or before the close of business, 4 p. m., on December 1, 1910.
3. Subscriptions will be paid for in two equal payments, as follows: \$50 per share on or before January 18, 1911, for which receipts will be given, and \$50 per share on or before October 18, 1911.
4. Interest at the rate of 6 per cent. will be paid on the amount of the first installment of \$50 per share, on April 15th, July 15th and October 15th, 1911.
5. Certificates for the new stock will be issued, upon the return of the receipts, as soon as possible after the 15th of October, 1911.
6. The new stock will participate in the dividend of January 15, 1912.
7. The company will not deal in rights of fractions of shares, but will recognize any proper assignment of rights.

"HOME TIES" OPENS AT JACKSON'S FOR 3 NIGHTS AND MATINEES

"Home Ties," Bryon Chandler's new domestic drama, from the pen of Marion Russell with its quaint country scenes laid in the oil fields of western Pennsylvania, opened a three days engagement last evening at Jackson's theatre. There are many little touches of pathos, incident of country life, intermingled with the simple but amusing rural comedy. It is the simple country girl, full of her tom-boyish tricks, and an equally silly country jay, eighty years young, who inspire the piece with their bright antics and witticisms. "Home Ties" as its name denotes, is a play of the home. A family becomes estranged through marriages and financial losses, but lucky strikes in the oil fields and thrifty financial returns elsewhere bring back old memories, reuniting the separated ones.

The cast handles its lines well. The piece is not new to them for it has been on the road with the same company for many weeks. It is to be played this afternoon and evening, and will be seen again tomorrow for two performances.
